

CLAP! CLEANER

INTENSIVE ANTISTATIC CLEANER FOR VINYL FLOORS

Clap! CLEANER is an intensive anti-static cleaner suitable for cleaning Déco's Clap! Its antistatic emulsion facilitates the absorption of dust by the cloth and helps to delay its formation. Clap! CLEANER also contains additives with special nanoparticles that guarantee a deep and prolonged cleaning of the treated surfaces. Without rinsing, it leaves no marks and pleasantly scents the environment, even in the presence of pets.

FEATURES:
